- develop awareness of their belongings
- feel happy to accomplish their work

### Koala Class (2-3 years)

- learn to share, take turns, and respect friends' properties
- show care and sympathy towards friends and try to help
- learn to take care of their things and others
- build friendships and feel the joy of playing with friends
- adjust to changes of the environment
- be proud of their own work

# Social and Emotional Development

### Dormouse Class (3-4 years)

- explore self-identification; their physical attributes, the members of their family, and their own personal identity
- practice the concepts of self-control  
(ex. sharing, waiting for a turn, following directions, etc.)
- promote further development of self-care  
(ex. washing hands, bathroom skills, general hygiene, etc.)
- foster ideas about teamwork and enjoy interacting and working together with peers (ex. building a tower with a friend)
- expand ideas about friendship, community and personal safety
- be an independent learner; think independently and learn how to solve issues on their own

### Armadillo Class (4-6 years)

- interact positively with friends and teachers
- build self-esteem and confidence to express their own ideas, thoughts, and feelings to friends and teachers
- listen to others' opinions and appreciate the uniqueness and difference in each other (ex. personality, culture, etc.)
- show responsibility in performing daily jobs/ tasks  
(ex. taking care of belongings, job helpers, etc.)
- build curiosity and motivation to learn about the "big world" and enjoy new challenges
- be able to understand consequences and learn how to negotiate when conflicts happen
- participate in individual and group learning
